# "AND SO IT BEGINS..."

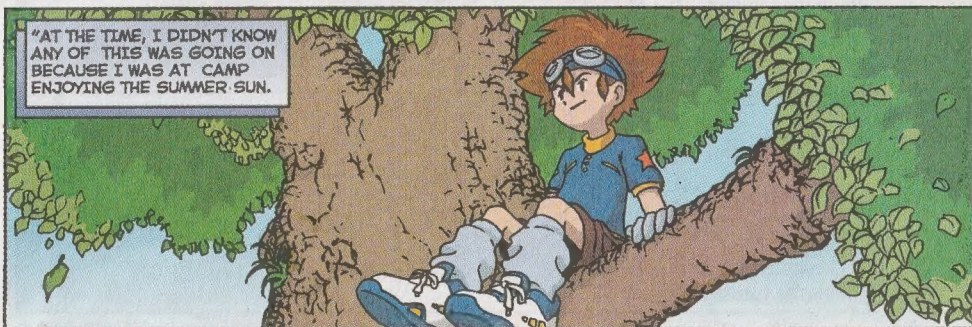

"THAT'S HOME, PLANET EARTH. BUT, I'M NOT SURE THAT'S WHERE I AM RIGHT NOW. LET ME BACK UP A LITTLE..."

"IT ALL BEGAN WHEN THE CLIMATE WENT COMPLETELY OUT OF CONTROL. THE RAIN FORESTS DRIED OUT AND CITIES, WHICH ARE NORMALLY BLAZING HOT, GOT SUPER COLD."

"AT THE TIME, I DIDN'T KNOW ANY OF THIS WAS GOING ON BECAUSE I WAS AT CAMP ENJOYING THE SUMMER SUN."

"THAT IS, UNTIL IT STARTED TO SNOW -- IN THE MIDDLE OF JULY! AND IT GETS WEIDER..."

OH, BY THE WAY, MY NAME IS TAI.

## YOUR GUIDE TO THE DIGIWORLD

**TAI** Adventurous, athletic, and a born leader, Tai is usually the first to spring into action. His aggressive personality often throws him into the path of danger. He begins to realize, however, that to be a true leader he must inspire the others' confidence, and that can mean using empathy and compassion rather than reckless courage.

This crest, representing Courage, enables Tai's Digimon partner to digivolve to the Ultimate Level.

# DIGIMON

Seven kids at summer camp are unexpectedly transported by "digivices" to a colorful and enigmatic world. Lost and alone they are befriended by small digital monsters, Digimons. The kids and their Digimon partners quickly become inseparable, and the little creatures guide their human friends through the wondrous DigiWorld, protecting them from the hordes of Digimons.

The group soon discovers that some of the Digimons they encounter are not evil Digimons – but good Digimons gone bad. A dark power is corrupting even the most gentle of Digimons by embedding Black Gears into them, turning them into vicious monsters. Creating chaos and destruction wherever it goes, the evil power threatens all of DigiWorld.

As they try to find their way back home, the seven kids are drawn further and further into the mystery. Through teamwork and trust, they help their newfound Digimon friends digivolve from "monsters in training" to giant champions that must save the DigiWorld from the powerful evil intent on destroying it.

With an unbreakable bond between them, the kids and their Digimon companions embark on the adventure of a lifetime!

## YOUR GUIDE TO THE DIGIWorld

**Mimi:** "Daddy's little princess" is completely out of place in the wilds of the DigiWorld. Eccentric and a borderline airhead, Mimi can come across as self-centered, but she is not selfish. She has a sweet, caring personality, but she can become so caught up in herself that she doesn't see what's really going on.

 = SINCERITY

Mimi's crest represents Sincerity and enables her Digimon partner to digivolve to the Ultimate Level.
